Notes to Schedule A

1. The Club Units on Floors 8, 9, 10 and 11 contain studios; one-bedrooms; and two-bedroom duplexes. The Club Interest in each Club Unit is equal to a fraction, the numerator of which is four (4) and the denominator of which is fifty-two (52).

Purchasers should refer to the Floor Plans set forth in Part II of the Offering plan for an approximation of the dimensions and layouts of the Club Units. The "Condominium Declaration" square footage represents the square foot area of the Club Unit measured horizontally on each floor from the interior side of the glazing or the exterior walls at the Building line and/or the Property line to the midpoint of the interior walls and partitions separating one Club Unit from another Unit, or the public side of the interior walls separating a Club Unit from public corridors, stairs, elevators and other mechanical equipment spaces or any Common Elements. Column and mechanical pipes (whether along the perimeter or with the Club Unit) are not deducted from the square foot area of the Club Unit. The "useable" square foot area of a Club Unit represents that portion of the Club Unit to which the Club Owner has access (i.e., interior painted surfaced to interior painted surface, including kitchen counters, bathtubs, etc.). The square foot area and dimensions of the Club Units are approximate and may vary due to field conditions. No such variation will affect a Purchaser's obligations under the Purchase Agreement or the Offering Plan unless the square foot area of the Club Unit is diminished by more than five percent (5%) (excluding interior partitions), therefore affording Purchaser a fifteen (15) day right to rescind.

The number of rooms in each Club Unit has been computed by Sponsor in accordance with industry standard as follows:

<u>Type of Club Unit</u>	<u>Total Rooms</u>	<u>Type of Rooms</u>
Studio	2	1 bedroom, 1 bathroom
One bedroom	3 or 4	1 or 2 bedrooms, 1 bathroom, 1 living room
Two bedroom	5	2 bedrooms, 2 bathrooms, 1 living room
Two bedroom duplex	5 or 6	2 bedrooms, 2 or 3 bathrooms, 1 living room

2. THE PURCHASE PRICES AND OTHER TERMS OF SALE OF CLUB INTERESTS MAY BE NEGOTIATED BY SPONSOR AND, THEREFORE, MAY BE CHANGED. ACCORDINGLY, PURCHASERS MAY PAY DIFFERENT PURCHASE PRICES FOR SIMILAR CLUB INTERESTS. The effect of this, as well as the right of Sponsor to change purchase prices, is more particularly discussed in the Section of the Offering Plan entitled "Changes in Prices and Facilities." In addition to the payment of the purchase price, each Purchaser will be responsible for the payment of certain closing costs and expenses at the time of Closing, as explained in the Section of the Offering Plan entitled "Closing Costs". If Purchaser obtains a mortgage loan from Sponsor or other lender, Purchaser will be responsible for the payment of additional closing costs and expenses relating to such loan. There may be an apportionment of certain charges relating to the Club Interest at the time of

the Closing of Title. THESE PRICES HAVE BEEN SET BY SPONSOR AND ARE NOT SUBJECT TO REVIEW OR APPROVAL BY THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENT AGENCY.

3. The estimated Club Charges contained in this column are for the period from January 1, 2009 to December 31, 2009 based on the "Schedule B – Club Budget" prepared by Sponsor in consultation with the Club Budget Expert. Club Charges include Real Estate Taxes assessed against the Club Units and other Club Expenses. The Club Association reserves the right to bill Club Members for Club Charges more often than once a year.

The estimated annual Real Estate Taxes of \$1,416,717 for the 2009 calendar year for the Club Units are based upon recent tax assessments published by the City of New York, that: (a) the approximate allocated assessed value of the Club Units during the second half of the 2008/2009 tax year is \$11,466,502 in the aggregate and during the first half of the 2009/2010 tax year is estimated to be \$14,843,460 in the aggregate for a total 2009 assessed value of \$26,310,000 (rounded); and (b) the effective tax rate in effect for the 2008/2009 tax year is \$10.561 per \$100 of assessed valuation and the tax rate in effect for the 2009/2010 tax year is estimated to be \$10.931 per \$100 of assessed valuation with respect to the Club Units. While the legal responsibility for Real Estate Taxes lies with each Club Member, the Club Association will collect Real Estate Taxes from each Club Member (which are included in the Club Charges) and remit the same on behalf of each Club Member to the taxing authorities. In addition to these estimated Club Charges, each Owner will be responsible for mortgage payments under a loan, if any, obtained to finance the purchase of the Club Interest.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Fifth and Fifty-Fifth Residence Club Association, Inc.
New York, New York

We have audited the accompanying balance sheet of Fifth and Fifty-Fifth Residence Club Association, Inc. as of December 31, 2008, and the related statements of revenues, expenses and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior period summarized comparative information has been derived from the Association's 2007 financial statements and, in our report dated May 6, 2008, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fifth and Fifty-Fifth Residence Club Association, Inc. as of December 31, 2008, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplementary information on future major repairs and replacements is required by the American Institute of Certified Public Accountants. We have applied certain limited procedures, which consisted primarily of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it. The schedule of operating fund revenues and expenses - budget to actual is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information, except for the portion marked "unaudited," on which we express no opinion, has been subjected to the auditing procedures applied during the audit of the basic financial statements and, in our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

FIFTH AND FIFTY-FIFTH RESIDENCE CLUB ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007

NOTE 1 - THE ASSOCIATION

Fifth and Fifty-Fifth Residence Club Association, Inc. (the "Association"), was formed to promote and advance the health and welfare of the fractional interest owners of Fifth and Fifty-Fifth Residence Club (the "Club"). The Club consists of 38 club units, located on the 8th, 9th, 10th and 11th floors of a mixed-use project which includes lodging and commercial enterprise within the control of the commercial unit owners. The Declaration and Plan of Club Ownership was recorded on June 26, 2006 and the Club began operations on January 1, 2007. The owners of all fractional interests in the Club are the only members.

SLT Palm Desert, LLC, a Delaware limited liability company (as to 10.7567% tenant-in-common interest); SLT Realty Limited Partnership, a Delaware limited partnership (as to a 63.5756% tenant-in-common interest); Prudential HEI Joint Venture, a Georgia general partnership (as to an 11.3826% tenant-in-common interest); and SLT St. Louis, LLC, a Delaware limited liability company (as to a 14.2851% tenant-in-common interest) are the developer of the project. Until all fractional interests have been sold, the developer has the right to use and transact on the property, any business necessary to consummate sale, resale or rental of all the fractional interests owned by the developer.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Accounting

The Association prepares its financial statements on the accrual basis and presents them as separate funds based on its different funding policies for operations and major repairs and replacements.

Accounts Receivable and Allowance for Uncollectible Accounts

Accounts receivable are generally considered delinquent when they are 30 days past due. The Association accounts for potential losses in accounts receivable utilizing the allowance method. The Association maintains an allowance for uncollectible accounts at an amount that it believes is sufficient to provide adequate protection against future losses. Provisions for losses are determined principally on the basis of experiences in the preceding years, taking into account historical losses, industry standards and current economic conditions. All accounts or portions thereof deemed to be uncollectible are written off to the allowance for uncollectible accounts. Provision for uncollectible accounts expense was \$79,507 and \$52,308 for the year and period ended December 31, 2008 and 2007, respectively, and is included in homeowners association direct expenses.

Common Property

The Association is responsible to preserve and maintain the common property of the Club. Ownership of the commonly owned assets is vested directly or indirectly in the fractional interest owners, those assets are not titled in the Association's name and disposition of those assets by the Board of Directors (the "Board") is restricted. As a result, commonly owned assets are not presented in the Association's financial statements. As of December 31, 2008 and 2007, common property not capitalized consisted of unit furnishings.

DECEMBER 31, 2008 AND 2007

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Association has elected to be taxed as a homeowners' association for the year and period ended December 31, 2008 and 2007, in accordance with Internal Revenue Code Section 528. Under that Section, the Association is not taxed on uniform assessments to members and other income received from Association members solely as a function of their membership in the Association. The Association is taxed at a rate of 32% on its investment income and other non-exempt function income, less allocable expenses. There are no temporary differences between the financial reporting and tax reporting with respect to the non-exempt function income; therefore, no deferred tax provision has been recorded. The Association incurred a federal, state, and county tax liability of \$0 and a city tax liability of \$300 for the year and period ended December 31, 2008 and 2007.

Fair Value of Financial Instruments

Substantially all of the Association's assets and liabilities, excluding assessments received in advance, are considered financial instruments. These assets and liabilities are reflected at fair value, or at carrying amounts that approximate fair value because of the short maturity of the instrument.

Revenue Recognition

Maintenance fees revenue is recognized monthly in the amount of the membership assessment allocation specified for current period operations, based on the annual budget adopted by the Board. Each fractional interest owner is an Association member, and a proportionate share of the maintenance fees is assessed for each fractional interest.

Funds

The operating fund reflects the operating portion of the annual assessments billed to the fractional interest owners to meet the various day-to-day expenditures incurred in the administration and operation of the Club.

The replacement fund is composed of the portion of the annual assessments designated in the budget to fund future major repairs and replacements, as further discussed in Note 8.

Cash Flows

For purposes of the statement of cash flows, the Association considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

The Association made cash payments for income taxes of \$300 and \$0 for the year and period ended December 31, 2008 and 2007, respectively. The Association made no cash payments for interest for the year and period ended December 31, 2008 and 2007.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - CONCENTRATION OF CREDIT RISK

The Association maintains cash balances at one financial institution. As of December 31, 2008, accounts at the institution were insured by the Federal Deposit Insurance Corporation ("FDIC"). Deductions from the fund are recorded as costs, as incurred, which are determined by the Board to meet the objective for which the fund was established.

The following is a table of the activity in the replacement fund:

The components' actual replacement costs, useful lives, and investment income may vary from the estimated amounts and the variation may be material. If additional funds are needed, the Association has the right, subject to the Board's approval, to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

NOTE 9 - RELATED PARTY TRANSACTIONS

The Association is part of the high-rise estate project consisting of mixed-use components known as the Fifth and Fifty-Fifth Condominium (the "Condominium"). INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Fifth and Fifty-Fifth Condominium
New York, New York

We have audited the accompanying balance sheets of Fifth and Fifty-Fifth Condominium as of December 31, 2008 and 2007, and the related statements of revenues, expenses and changes in fund (deficit) balance and cash flows for the years then ended. These financial statements are the responsibility of the Condominium's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Condominium's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fifth and Fifty-Fifth Condominium as of December 31, 2008 and 2007, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. Fifth and Fifty-Fifth Condominium has not estimated the remaining lives and replacement costs of the common property and, therefore, has not presented supplementary information on future major repairs and replacements that accounting principles generally accepted in the United States of America has determined is required to supplement, although not required to be a part of, the basic financial statements. The schedule of revenues and expenses - budget to actual is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information, except for the portion marked "unaudited," on which we express no opinion, has been subjected to the auditing procedures applied during the audit of the basic financial statements and, in our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Accounting

The Condominium prepares its financial statements on the accrual basis.

Accounts Receivable and Allowance for Uncollectible Accounts

Accounts receivable are generally considered delinquent when they are 10 days past due. Association management has reviewed accounts receivable outstanding as of December 31, 2008 and considers them to be fully collectible. Based on this and the Association's prior history of insignificant bad debts on accounts receivable, no allowance for uncollectible accounts is considered necessary. The Condominium recognized recovery of bad debt of \$635 for the year ended December 31, 2008.

During the year ended December 31, 2007 the Condominium accounted for potential losses in accounts receivable utilizing the allowance method. The Condominium maintained an allowance for uncollectible accounts at an amount that it believed was sufficient to provide adequate protection against future losses. Provisions for losses were determined principally on the basis of experiences in the preceding years, taking into account historical losses, industry standards and current economic conditions. All accounts or portions thereof deemed to be uncollectible were written off to the allowance for uncollectible accounts. Provision for uncollectible accounts expense was \$635 for the year ended December 31, 2007.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Common Property

The Condominium is responsible to preserve and maintain the common property of the condominium. Ownership of the commonly owned assets is vested directly or indirectly in the unit owners, those assets are not titled in the Condominium's name and disposition by the Board of Directors (the "Board") is restricted. As a result, commonly owned assets are not presented in the Condominium's financial statements.

The Common Elements of the Condominium (the "Common Elements") consist of the entire Property including the Land and all parts of the Building and improvements thereon other than the Units. The Common Elements are classified as General Common Elements and Hotel Limited Common Elements. This does not constitute an offer to sell or a solicitation of an offer to buy securities or any interest in real estate. For further information, please contact:

**STARWOOD VACATION EXCHANGE COMPANY

I. Definitions

The capitalized terms used in this Disclosure Guide shall have the same meaning as the identical terms defined in the Starwood Residence Network ("SRN") Rules and Regulations attached as Exhibit "A" unless the context otherwise requires.

II. Information about SRN Operator

SRN Operator, Starwood Vacation Exchange Company, is a Delaware corporation with principal offices located at 9002 San Marco Court, Orlando, Florida 32819. The sole shareholder of SRN Operator is Starwood Hotels & Resorts Worldwide, Inc., a Maryland corporation ("Parent"). The officers and directors of SRN Operator are as listed on the attached Exhibit "B." SRN Operator has no legal or beneficial interest in any developer, seller, or managing entity for any fractional or vacation ownership plan participating in SRN. However, one or more of the developers, sellers, or managing entities for SRN Resorts may also be subsidiaries or affiliates of the Parent. None of the officers and directors of SRN Operator have any legal or beneficial interest in any developer, seller, or managing entity for any fractional or vacation ownership plan participating in SRN, although one or more of them may also be an officer or director of such entities and/or a stockholder of the Parent. SRN Operator and its shareholder, officers, and directors reserve the right to act as developers or sellers of fractional and/or vacation ownership plans and multisite vacation ownership plans for future resorts which plans may or may not be affiliated with SRN.

III. Membership in SRN

Each purchaser of a Club Interest in an SRN Resort is eligible for enrollment as an SRN Member either at the time the purchaser acquires such Club Interest or sometime thereafter. To use and enjoy benefits of membership in SRN, such purchaser must execute an Owner Use Agreement, which is separate and distinct from such purchaser's purchase contract with purchaser's seller. The terms and conditions of such membership are set forth in the SRN Documents and also may be set forth in the Resort Documents for that SRN Resort. An SRN Member's decision to use SRN by requesting an Interchange at an SRN Resort is strictly voluntary. However, SRN Members must affirmatively make an Interchange Request in order to make an Interchange. All SRN Resorts are affiliated with SRN by means of an SRN Affiliation Agreement between the SRN Resort's homeowners association and SRN Operator. SRN Operator may charge the homeowners association an affiliation fee for operating SRN. Membership in SRN automatically terminates if the SRN Member voluntarily or involuntarily transfers the SRN Member's Club Interest and owns no other Club Interest; if the SRN Member's Home Resort ceases to be an SRN Resort; or if SRN is cancelled by SRN Operator. Although SRN Membership is not transferable, resale purchasers may be eligible to enroll in SRN.

IV. SRN Procedures and Obligations

The terms and conditions of the procedures for using SRN program are set forth in the SRN Rules attached to this Disclosure Guide as Exhibit "A."

The terms and conditions of this Disclosure Guide and the SRN Rules, including fees, benefits, and reservation procedures, are subject to change by SRN Operator without advance notice.

THE TERMS AND CONDITIONS OF MEMBERSHIP IN SRN WILL BE GOVERNED EXCLUSIVELY BY THE LAWS OF THE STATE OF FLORIDA. ANY ACTION AT LAW OR IN EQUITY BY AN SRN MEMBER TO CHALLENGE OR ENFORCE THE TERMS AND CONDITIONS OF MEMBERSHIP IN SRN MUST BE SUBMITTED EXCLUSIVELY TO THE JURISDICTION OF THE COURTS OF ORANGE COUNTY, FLORIDA, AND BY MAINTAINING MEMBERSHIP WITH SRN, EACH SRN MEMBER CONSENTS TO THE PERSONAL JURISDICTION OF THOSE COURTS. IF AN ACTION AT LAW OR IN EQUITY IS INITIATED BY EITHER AN SRN MEMBER OR

SRN OPERATOR, THE LOSING PARTY SHALL PAY ALL COSTS INCURRED BY THE PREVAILING PARTY IN DEFENDING OR PURSUING SUCH ACTION, INCLUDING REASONABLE ATTORNEYS' FEES AND LEGAL COSTS.

Each SRN Member recognizes and acknowledges that:

1. SRN Operator does not sell, lease, or otherwise convey any interest in real property;
2. Because not all owners of Club Interests in all SRN Resorts will participate in SRN, only a limited number of Club Weeks at such SRN Resorts, if any, will be available from time to time for reservation by SRN Members. Consequently, purchasers should not rely on the status of a particular resort as an SRN Resort in determining whether to purchase a Club Interest in an SRN Resort;
3. SRN Resort accommodations and facilities vary by location and resort. In addition, SRN Resort accommodations that have been reserved may differ in unit size, design, furnishing, or amenities from the Club Interest accommodations a particular SRN Member owns due to variations between resorts. SRN Operator will assign an Interchange Value to each Club Week and each Club Unit at all SRN Resorts;
4. Fees, if any, incurred by an SRN Member for the use of amenities at a host SRN Resort are determined and collected by the host SRN Resort;
5. An SRN Member is responsible for payment of any personal expenses incurred while occupying a Club Unit received through a reservation confirmation, as well as for any damage, theft, or loss caused by the SRN Member or the SRN Member's guests;
6. If the Interchange Selection becomes unavailable due to natural disaster, act of God, war, insurrection, or any other reason beyond SRN Operator's control, the SRN Member waives any and all claims against SRN Operator; and
7. SRN Operator is not liable for any claim or loss incurred in connection with participation in SRN or with respect to ownership of a Club Interest.

V. Fees

Pursuant to an SRN Affiliation Agreement between the SRN Resort's homeowners association and SRN Operator, an SRN Affiliation Fee will be assessed to each SRN Resort's homeowners association so that Owners at that SRN Resort may be eligible to participate in SRN. The SRN Affiliation Fees to be charged per Club Interest participating in SRN is disclosed in the SRN Affiliation Fees Chart attached to this Disclosure Guide as Exhibit "C." SRN Members themselves have no contractual obligation to SRN Operator for the payment of any fees for membership in SRN. **Currently, there are no transaction fees charged by SRN Operator. However, SRN Operator reserves the right to amend the SRN Rules and charge transaction fees in its sole discretion.** Use of SRN may be restricted by SRN Operator if the SRN Member is not current in the payment of the SRN Member's Home Resort maintenance fees and taxes, and Club Interest mortgage or purchase money payments. Furthermore, use of SRN may be restricted by SRN Operator if the SRN Member's homeowners association is not current in the payment of the SRN Affiliation Fee. SRN Operator also may require advance payment of estimated maintenance fees and taxes to the SRN Member's Home Resort Managing Entity before permitting use of Interchange privileges.

VI. SRN Resorts

SRN Members may request reservations in accordance with the SRN Documents and Resort Documents for any SRN Resort that is affiliated with SRN from time to time by SRN Operator. The names and addresses of all SRN Resorts currently participating in SRN are as follows:

Resorts with 1-20 Units

<u>Name and Address</u>	<u>Number of Club Units</u>	<u>SRN Members</u>
Camelback Residence Club Condominium 4515 North Phoenicia Place Scottsdale, AZ 85251	7	76

Resorts with 21-50 units

<u>Name and Address</u>	<u>Number of Club Units</u>	<u>SRN Members</u>
Fifth and Fifty-Fifth Residence Club Two East 55 th Street New York, New York 10022	38	576
Aspen Residence Club and Hotel Condominium 315 East Dean Street Aspen, Colorado	25	540

As of December 31, 2008, there were 1,192 SRN Members enrolled in SRN. If required by applicable law, an independent audit of SRN operations will be performed and reported through the period ending December 31st each year. The SRN Operator calculates the number of SRN Members based on the number of Club Interests enrolled in SRN at each SRN Resort.

For the calendar year ending December 31, 2008, the percentage of confirmed exchanges (which is the number of reservations confirmed by SRN Operator divided by the number of reservation requests properly applied for) was 100%.

All Interchanges are based on availability and SRN does not guarantee that SRN Members will receive a specific Interchange Request. The Interchange program is based on an SRN Member trading one of SRN Member's reserved Club Weeks in exchange for an available Club Week. In order to make an Interchange Request, an SRN Member must: (a) pay all delinquent Home Resort maintenance fees, taxes, and Club Interest mortgage or purchase money payments attributable to the SRN Member's Club Interests; (b) not have placed the Club Week with another exchange company or program; and (c) obtain a confirmed reservation at SRN Member's Home Resort at least sixty (60) days in advance of the Home Resort Check-in Day.

SRN Operator may receive improperly submitted Interchange Requests in the normal course of business. These requests cannot be honored if the SRN Member does not follow SRN's procedures by either improperly completing an Interchange Request or failing to submit an Interchange Request within the minimum time required.

The percentage of confirmed reservations contained in any annual audit report will be only a summary of the reservation requests entered in the year reported, and such percentage should not be relied on as an indication of the probability of an SRN Member being confirmed to any specific choice or range of choices.

Use Year has the meaning given in the Resort Documents. SRN Members owning a Biennial Club Interest will have a Use Year that occurs every other year.

II. SRN Operation

2.1 Membership. Pursuant to an SRN Affiliation Agreement between the SRN Resort's homeowners association and SRN Operator, a purchaser of a Club Interest is eligible to enroll in SRN to enjoy the benefits of membership in SRN. To enroll in SRN, purchasers of Club Interests will be required to execute an Owner Use Agreement. Membership in SRN automatically terminates if the SRN Member voluntarily or involuntarily transfers the SRN Member's Club Interest and owns no other Club Interest, or if the SRN Member's Home Resort ceases to be an SRN Resort. SRN Membership is not transferable.

2.2 Management. SRN is operated and managed by SRN Operator pursuant to the SRN Documents. SRN Operator expressly is authorized to take such actions as it deems necessary or appropriate for the operation of SRN, including the implementation of all exchange program and reservation duties as outlined in the SRN Rules.

2.3 Primary Owner. The Owners of each Club Interest which is owned by more than one person or by a business entity must designate a Primary Owner from time to time by notifying Reservation Services of same through a writing executed by all individuals holding the membership or by an authorized representative of the business entity. Reservation Services may charge an administrative fee as SRN Operator may determine from time to time, each time it is requested to change a Primary Owner designation.

2.4 SRN Affiliation Fees. Charges incurred by SRN Operator in connection with the operation of the Interchange program and the delivery of other SRN services and benefits at SRN Resorts will be charged as SRN Affiliation Fees to each SRN Resort's homeowners association, as more specifically provided in the applicable SRN Affiliation Agreement.

2.5 Transaction Fees. In addition to SRN Affiliation Fees, SRN Operator has the right to charge such other transaction fees as it deems appropriate in its sole discretion from time to time. Such fees may be charged for transactions including additional reservation request fees, Interchange fees, daily use fees, fees for additional housekeeping, and such other items as provided in the SRN Fees Chart as may be amended by SRN Operator from time to time in its sole discretion.

Currently, there are no transaction fees charged by SRN Operator.

2.6 Basis for Addition. SRN Operator may decide to affiliate additional resorts with SRN from time to time. The affiliation of additional SRN Resorts is not subject to the approval of the SRN Members. SRN Operator will make any decision to associate resorts with SRN, including the terms and conditions under which such resorts are affiliated, in its sole discretion.

2.7 Availability of SRN Resorts. Availability of Club Weeks in an SRN Resort, other than an SRN Member's Home Resort, is dependent on the number of Owners in such SRN Resort who become SRN Members and participate in the Interchange program, the continued affiliation of each SRN Resort with SRN, and the number of Club Weeks available for reservation in such SRN Resort during a given Use Year.

2.8 Assignment of Interchange Value. For administrative convenience in the operation of SRN and in the determination of the respective rights of SRN Members to enjoy the benefits of membership in SRN, some or all Club Weeks and Club Units at every SRN Resort will be divided into categories on a resort specific basis. Currently, there exist two categories: category "Platinum" and category "Platinum Plus." Depending on the SRN Resort and SRN Operator's sole discretion, some Club Weeks will be categorized by demand for use and seasonality regardless of Club Unit type, while other Club Weeks will be categorized based on Club Unit type. The category assigned represents the Interchange power of a given Club Week within SRN. Accordingly, Club Weeks assigned an Interchange Value of "Platinum" may exchange for other Club Weeks assigned an Interchange Value of "Platinum." Club Weeks assigned an Interchange Value of "Platinum Plus" may exchange for other Club Weeks assigned an Interchange Value of "Platinum" or "Platinum Plus." **Accordingly, SRN Members whose Club Weeks are**

assigned an Interchange Value of "Platinum" will have less opportunities for Interchange than SRN Club Members whose Club Weeks are assigned an Interchange Value of "Platinum Plus."

The Interchange Value assigned represents the reservation power of a given Club Week within SRN. The assignment of a certain category with respect to SRN Resorts is based on such factors as relative SRN Member demand for use of certain Club Weeks and the SRN Resort, seasonality of the Club Week, Club Unit type, SRN Resort type, SRN Member use patterns, and availability of Club Weeks ("Assignment Factors"). SRN Operator reserves the right, in its sole discretion, to revise the Interchange Value assigned to any Club Weeks and required for reservations of any Club Weeks within SRN annually, each without SRN Member consent.

III. Reservations

3.1 Interchange Selection Process.

(a) Requesting an Interchange. All Interchanges are subject to availability. Each SRN Member will be permitted up to two Interchange Selections per Use Year in accordance with the procedures set forth below. Pursuant to the Interchange restrictions set forth in Section 3.2, each SRN Member may only commit a maximum of two Club Weeks per Use Year to Alternate Use. All Interchanges must be made for increments of seven consecutive days, which is a full Club Week. Interchange Requests for particular Club Weeks will be taken on a first-come, first-served basis and SRN Manager does not guarantee that SRN Members will receive a specific Interchange Request.

(b) Biennial Restrictions. Each SRN Member owning a Biennial Club Interest may request an Interchange and may be granted a Confirmation Notice for a Club Week occurring only during such SRN Member's Use Year, which occurs every other year.

(c) Submitting an Interchange Request. The SRN Member must submit a valid Interchange Request to SRN Operator in writing, by telephone, facsimile, e-mail, or such other electronic means acceptable to SRN Operator from time to time. In order for an Interchange Request to be considered valid, an SRN Member must:

(i) pay all delinquent Home Resort maintenance fees, taxes, and Club Interest mortgage or purchase money payments attributable to the SRN Member's Club Interests;

(ii) not have subjected the Club Week to a different Alternate Use, placed the Club Week with another exchange company or program, or contributed to or used the Club Week in a different vacation ownership plan, fractional ownership plan, non-equity club, destination or luxury program, or vacation or membership club (except as expressly permitted in the SRN Documents); and

(iii) obtain a confirmed reservation at SRN Member's Home Resort at least sixty (60) days in advance of the Home Resort Check-in Day.

SRN Operator, on receipt of a valid Interchange Request, will assign the SRN Member the use of a designated Club Week if the Club Week requested is available. An SRN Member has no right to make a reservation unless the SRN Member has paid all Home Resort maintenance fees, taxes, and Club Interest mortgage or purchase money payments, pursuant to Article IV; furthermore, and as provided in Article IV, SRN Operator may require the advance payment of the estimated current Use Year's maintenance fee assessment and tax assessment which ultimately will become due to the Managing Entity, as a condition to acceptance by SRN Operator of an Interchange Request. In addition, SRN Operator may restrict access to SRN if the SRN Member's homeowners association has failed to pay the SRN Affiliation Fee. An SRN Member may make a reservation in the name of a guest.

If the Club Week requested is available, SRN Operator will send the SRN Member a Confirmation Notice acknowledging that the SRN Member's Interchange Request has been fulfilled. If the Club Week requested is unavailable, the SRN Member will keep the confirmed reservation at SRN Member's Home Resort. As a consequence of this structure, SRN Operator will have no Club Weeks which are deposited with it by SRN Members which are not used by SRN Operator in effecting exchanges.

Interchange Requests will be taken on a first-come, first-served basis, subject to availability. Since availability will vary, SRN Operator cannot guarantee confirmation of an Interchange Request for any specific Club Week at any specific SRN Resort at any time.

3.2 Interchange Options and Restrictions

(a) On receiving a Confirmation Notice, an SRN Member may use the Interchange Selection for personal use or for use by a guest. Unaccompanied guests must be registered with SRN Operator and must be at least 21 years of age. SRN Members are solely responsible for the acts and omissions of any guests or individuals occupying the Club Unit, including any loss or damage to the Club Unit or SRN Resort.

(b) SRN Operator reserves the right to restrict and/or prohibit Interchange Requests by each SRN Member for such SRN Member's Home Resort.

(c) Interchanges are for seven consecutive days of occupancy, which is one full Club Week.

(d) SRN Operator may prohibit certain club weeks in a given SRN Resort from participating in SRN. **Currently, club weeks designated as Mid-Season Weeks at the St. Regis Residence Club, Aspen are not eligible for Interchange.**

(e) A maximum of two Club Weeks per Use Year may be committed to Alternate Use. By way of example, if an SRN Member converted two Club Weeks to use through the Starwood Preferred Guest Program for the current Use Year, the SRN Member is prohibited from committing any remaining Club Weeks to any other Alternate Use for that same Use Year.

(f) Interchange Selections are not eligible for Alternate Use.

(g) An SRN Member unable to use an Interchange Selection is not relieved of the obligation to pay all maintenance fee assessments, taxes, and mortgage or purchase money payments associated with ownership of a Club Interest.

(h) The Interchange accommodation received may or may not be comparable in size, layout, furnishings, services, or amenities to those in the SRN Member's Home Resort.

(i) Cancellation of a confirmed reservation is not permitted. An SRN Member may request an exchange of the SRN Member's Interchange Selection one time, provided the SRN Member notifies SRN Operator by telephone of such an exchange request at least sixty (60) days prior to the Check-in Day of the Interchange Selection.

(j) On acceptance of an Interchange Selection, the SRN Member relinquishes the right to use the Club Week which the SRN Member exchanged for the Use Year indicated on the Confirmation Notice.

3.3 Confirmations; Accommodation Preferences. Confirmation Notices will be provided to each SRN Member or Primary Owner by Reservation Services to confirm all Interchanges. Requests for Club Unit preferences, such as ground level Club Units, cannot be guaranteed, but will be noted as a preference in the Confirmation Notice.

3.4 Cancellations, Additional Reservation Requests, and No-Shows.

Cancellation of a confirmed reservation is not permitted. An SRN Member may request an exchange of the SRN Member's Interchange Selection, provided the

SRN Member notifies SRN Operator by telephone of such an exchange request at least sixty (60) days prior to the Check-in Day of the confirmed reservation.

Interchange Selections are not eligible for Alternate Use.

SRN Members who fail to arrive on the Check-in Day of the Interchange Selection must notify SRN Operator that they will be arriving subsequent to such Check-in Day or risk losing the reservation. In the event of a no-show, no refund of advance payment of estimated maintenance fees or taxes will be made.

IV. Delinquency

SRN Operator reserves the right not to accept an Interchange Request from an SRN Member if the SRN Member is not current in the payment of all of the SRN Member's Home Resort maintenance fees, taxes, and Club Interest mortgage or purchase money payments attributable to the SRN Member's Club Interest. An SRN Member who is delinquent in the payment of any maintenance fee assessment, tax assessment, or Club Interest mortgage or purchase money payment shall have no right to reserve a Club Week through SRN Operator or any External Exchange Company, and any previously confirmed Interchange Request may be cancelled, until the delinquency is satisfied in full. SRN Operator may collect any delinquent maintenance fee assessments, tax assessments, or Club Interest mortgage or purchase money payments by credit card. Furthermore, SRN Operator may require the advance payment of the estimated current Use Year's maintenance fee assessment and tax assessment which ultimately will become due to the Managing Entity, as a condition to acceptance by SRN Operator of an Interchange Request, provided that any such prepaid maintenance fee and taxes for SRN Resorts are held in escrow if required by applicable law.

V. Miscellaneous Provisions

5.1 Personal Use; Commercial Purposes. Use of the Club Units and facilities associated with SRN is limited solely to the personal use of SRN Members, their guests, invitees, exchangers, and lessees, and for recreational use by corporations or other similar business entities owning Club Interests. Purchase of a Club Interest or use of Club Units and facilities associated with SRN for commercial purposes, for contribution to or use in a different vacation ownership plan, fractional ownership plan, non-equity club, destination or luxury program, or vacation or membership club (except as expressly permitted in the SRN Documents), or for any purpose other than the personal use described above is prohibited.

5.2 Rental of Club Weeks Reserved Through SRN. Rental by an SRN Member of Club Weeks reserved through SRN is prohibited.

5.3 Amendment of the SRN Rules. Except as provided in the Resort Documents, SRN Operator expressly reserves the right to amend the SRN Rules, with respect to SRN Resorts in all respects, in its sole discretion, from time to time, without the consent of SRN Members, for any purpose, including permitting banking of Club Weeks and creating SRN tiers. SRN Operator shall deliver notice of any material amendment to each Primary Owner at the Primary Owner's last known address. Notice of amendments may be made by newsletter, annual mailings, facsimile, owner website posting, or e-mail.

5.4 Special Exchange Programs. SRN Operator reserves the right, from time to time, to enter into special exchange relationships with any entity other than an External Exchange Company pursuant to which SRN Members may have access to selected non-SRN resorts and non-SRN owners will have access to SRN accommodations. Any special exchange programs will be governed by their own reservation rules and regulations.

5.5 Amendment of SRN Documents. Each SRN Member's participation in SRN will be governed by the SRN Documents, as amended from time to time by SRN Operator. SRN Operator shall have the right to amend any portions of the SRN Documents that SRN Operator in its sole discretion determines are necessary or desirable to amend from time to time, without the consent of SRN Members, except as provided in the Resort Documents. SRN Operator shall deliver notice of any amendment in the same manner as described in Section 5.3.

5.6 Termination. If the SRN Affiliation Agreement, Owner Use Agreement, or other instrument that affiliates an SRN Resort with SRN is terminated or expires in accordance with its own terms, the terminated SRN Resort will no longer be affiliated as a part of SRN. However, on termination of such instrument, all confirmed reservations of SRN Members (from the terminating SRN Resort and from the non-terminating SRN Resorts) will be honored at both the terminating SRN Resort and at non-terminating SRN Resorts.

5.7 Severability and Conflict. The invalidity in whole or in part of any covenant or restriction, or any article, section, subsection, sentence, clause, phrase, word, or other provision of the SRN Documents shall not affect the validity of the remaining portions.

5.8 Include. The term "include" and similar terms (e.g., includes, including, included, comprises, comprising, such as, e.g., and for example), when used as part of a phrase including one or more specific items, are used by way of example and not of limitation.
